## OUR MISSION

With respect for the individual and the highest professional standards, **EOTC** offers a variety of programs that promote family stability and economic self-sufficiency.

## A LEGACY OF ACHIEVEMENT

Established in 1988, **EOTC** of Northeastern Pennsylvania touches the lives of over 4,000 people each year. **EOTC's** award-winning workforce and family development programs help individuals of all backgrounds.

**EOTC** assists children and families through model programs like the Incredible Years<sup>®</sup> parenting series and the Parents as Teachers/Early Head Start curriculum. Our workforce development services began with the area's first Women's Employment Program and have grown to serve fathers, dislocated workers, and others with barriers to employment.
